

Royal Jelly's Perfect Balance

There is a graceful symmetry to nature, like the delicate cells of the honeycomb. Beautiful, unique, yet connected to and supporting one another in a natural sisterhood. Nature craves balance and in return it offers renewal, strength and vitality. Royal jelly is nature's gift... a perfect balance of nutrients that gives your skin back its youthful glow. Tap into the power of Jafra's Royal Jelly.

"I cherish the independence my Jafra career has given me and could never trade it for a nine to five job. What a wonderful lifestyle - being my own boss, staying at home with my children, fitting volunteer activities and vacations into my work schedule, being there when friends need me. My Jafra income, which I can choose to increase by moving up management levels, helped us build our dream home six years ago."

"I want to look as young as I feel."

You feel young inside. You want your skin to look and feel that way too. Retinol, the purest form of vitamin A, is scientifically proven to promote smoother, firmer, younger-looking skin. Intensive Retinol Treatment uses patented micro-spheres to gently deliver just the right amount of Retinol deep into your skin, dramatically improving skin texture and appearance without the irritation associated with other Retinol products. In just 12 weeks the appearance of fine lines and wrinkles are reduced by as much as 55%. Age spots fade by 51%. Skin is clearer, smoother and younger-looking.

Retinol reduces the signs of aging

Full strength Retinol is time-released into your skin to gently reduce fine lines and wrinkles.

Narcissus and Cassie flower reduce redness and age spots while antioxidant vitamins E and C fight free-radical damage.

After 12 weeks lines and wrinkles are significantly diminished. Skin tone is more balanced.

Photos are not retouched.
